

# OrderYearbook.com

The screenshot shows the UnitedPortraits Yearbook Services website. At the top, there is a navigation bar with links for Home, Admin Tools, Request Form, Services, Affiliates, Support, and a Log In / Register button. The main header features the UnitedPortraits logo and the text 'Yearbook Services'. Below this, a sub-header reads 'UnitedPortraits yearbook services is your choice for all administrative needs.' The main content area contains four service cards: 'Order A Yearbook', 'Phone Appointments', 'Become A Client', and 'Yearbook Advertisers'. Each card includes a brief description of the service. Below the cards is a banner image of a diverse group of children. Underneath the banner, a section titled 'How can I create a yearbook for my organization?' lists five options: Yearbook Advisor, Parent Teacher Organization, Yearbook Class, Yearbook Club, and Hands-Off / No Touch. Each option has a small icon and a short paragraph explaining the service.
